Hardship Fund Donations from 2022 Code Books Proceeds

Over the years, the Hardship Fund has benefitted thousands of AAPC members in need. To continue this support, AAPC will be donating a portion of the 2022 Code Books sales to the Hardship Fund. AAPC is grateful to have a community that is always willing to support their fellow members and would like to create more opportunity to share this generosity with those in need.

Deal of the Month

Whether it's your 1st or 15th year coding, you can never have too many tools in your tool belt. Local chapter meeting attendees can take **\$25 off** the on-demand AAPC webinar [Tools of the Trade for Newly Certified Coders and Billers](#) when you use code **TOOLS21** at checkout.
