

**Prerequisites:** At least two years of experience in pediatric coding. Not meant for individuals with little, limited, or no coding experience.

**Clock Hours:** 4 hours

**Approved CEUs:** Approved for 4 CEUs upon successful completion towards CPC<sup>®</sup>, CPB<sup>™</sup>, CPMA<sup>®</sup>, CPPM<sup>®</sup>, and Specialty Credentials except CIRCC (one-time use only).

Training Availability: Access available for one (1) year from purchase date.

# **Training Description:**

This online course is designed for coding professionals working in pediatrics for physicians to prepare you for the CPEDC<sup>™</sup> certification exam. No other credential is needed to attain the CPEDC<sup>™</sup> credential. Students will review the common diagnoses, surgical procedures, and evaluation management coding specific to pediatrics.

## **Training Objectives:**

- 1. Review common pediatric diagnosis codes and conditions.
- 2. Review CPT<sup>®</sup> and CMS E/M guidelines.
- 3. Common procedures performed in pediatrics.
- 4. Discuss the most missed concepts on the CPEDC<sup>™</sup> certification exam.
- 5. Practice test that mimics the format and structure of the CPEDC<sup>™</sup> certification exam.

### Training Content:

- 1. Interactive lectures with exercises.
- 2. Practice test with operative cases totaling 35 multiple choice questions.

### **Methods of Evaluation:**

The instructional methods used include online audio/video lectures and online practice test. AAPC certified members must successfully complete the training within the allotted time frame of one year or less with a score of 70% or higher on the practice test.

### **Required Code Books (Not Included):**

- 1. CPT<sup>®</sup> Professional Edition (current year), AMA publisher
- 2. ICD-10-CM (current year), any publisher
- 3. HCPCS Level II (current year), any publisher

Required code books may be purchased through AAPC (http://www.aapc.com/medical-coding-books/index.aspx), or through any major bookseller.

Computer Requirements: High-speed Internet connection and Adobe Acrobat Reader.
