PRINT ADVERTISING

Healthcare Business Monthly is filled with a variety of industry articles and AAPC news. Article topics include coding, billing, auditing, compliance, and practice management, and the articles themselves are authored by national experts, often from the AAPC membership.

All AAPC members receive a monthly subscription as part of their membership. PDFs of past issues are also archived in the members-only section of the website, so the shelf-life of each issue is extended beyond the standard print life of a magazine. Member readership is further encouraged by offering one free Continuing Education Unit per issue, when members complete the "Test Yourself" quiz.
