Notes from National

We hope this message finds you healthy and safe during this unprecedented time. We here at AAPC have been fortunate enough to be able to safely support our membership as we transitioned to work from home at the end of last quarter. We want you to know that we are still here for you and available to help you with any questions or concerns. You can reach out to Customer Care or email us directly at: Paula.cushing@aapc.com or jamie.johns@aapc.com

Helpful Hints

One positive outcome, through the pandemic, is that we've been able to make the CPC exam available online. If you have employees waiting to test for their CPC, they can safely do so from their home by registering for the online option at <https://www.aapc.com/certification/cpc/>. Currently only the CPC is available to take online but stay tuned for additional options in the future.
