

Corporate Corner

March 2022

Notes from National →

We are noticing an increase in requests for individual membership refunds. Please note that once a member is added to a corporate account, individual payments already made are non-refundable/non-transferrable.

It is important that you plan ahead to determine when the best time is for you to add potential corporate members. If the individual is already an AAPC member, determine when their individual membership is up for renewal. If the individual is not yet up for renewal, you can add them during the corporate membership cycle and the price will be prorated for the remaining months.

Reminder! Beginning in June, all membership tiers will increase by \$10 per space. Memberships that are due June or later will reflect the updated pricing.

Helpful Hints →

In our last issue of Corporate Corner, we asked that you update the payment address. Unfortunately, that plan didn't work out so we're staying with our original lockbox in Ohio. Please update your records to reflect this payment address:

AAPC
PO Box 639237
Cincinnati, OH 45263-9237

As always, you can pay with a credit card online or over the phone. When paying with a

card, a profile will be created and you can reference the last 4 digits of your card for quicker future processing.

AAPC Membership Maynia puts a spotlight on AAPC membership and local chapters and provides opportunities in May for increased engagement with AAPC at the local level. The theme for 2022 is “Connect with Your Local AAPC Chapter”.

Maynia events provide members the opportunity to reconnect with their chapter member peers, reengage with their local chapter, and renew their mindset to accomplish their professional development goals for the remainder of the year.

Encourage your members to [find their local chapter](#) and save the date to attend their chapter’s Maynia event. At the event, attendees will also receive significant discounts on two AAPC products. The only way to find out more about the offers and take advantage of the exclusive savings is to attend a Maynia event.

Any assistance that our corporate contacts can do to drive awareness about this offering to members is appreciated!
