

EHR and EMR Specialist Course

Prerequisites: None.

Clock Hours: 10 hours

Approved CEUs: Approved for 10 CEUs upon successful completion towards CPC, CPC-P, CPB, CPMA, CPPM, and Specialty Credentials except CIRCC (one-time use only).

Training Availability: Access available for one (1) year from purchase date.

Training Description:

This online course is designed to help the student understand the basic navigation of EHRs. This course covers regulatory considerations of EHRs, common navigation of EHRs, template development, best practices for EHRs, common misuse of EHRs, and how to provide feedback to providers to improve documentation.

Training Objectives:

1. Identify regulatory considerations that impact EHR/EMRs.
2. Learn navigation of EHR/EMRs.
3. Understand template development.
4. List best practices for EHR/EMRs.
5. Identify common misuses of EHR/EMRs.

Training Content:

1. Reading Assignment
2. A Lecture Demonstrating the Use of an EMR.
3. EHR/EMR Final Assessment

Methods of Evaluation:

The instructional methods used include online PDF reading material, an online audio/video lecture, an online module review test. To receive a CEU certificate of credit, AAPC certified members must successfully complete the training within the allotted time frame of one year or less with a score of 70% or higher on all module review tests.

Required Code Books (Not Included):

1. None.

Computer Requirements: High-speed Internet connection with Adobe Flash Player and Adobe Acrobat Reader
