Corporate Corner
March 2021

💥 Notes from National

In an effort to help you budget for your upcoming renewals, we wanted to let you know that beginning with June memberships, all tiers will increase by $5 per space. Memberships that are due in June or later will reflect the updated pricing.

The minor increase reflects increased operational, technological, and support costs – and it will help AAPC fund additional education, resources, tools, and other member benefits. Thank you for your continued support of AAPC.

📢 Helpful Hints

Are you aware of these helpful features in the corporate management section online?

- The 'plus' icon allows you to quickly add a member if you have available spaces
- The search tool allows you to search your list of members by:
  - First name
  - Last name
  - ID number
- The last icon allows you to export your member list into Excel
  - This is an acceptable format to send a current list with your renewal (versus listing everyone out on the renewal form)
